

Comparing Courseware and eBooks

Courseware

- This provides access to online resources and homework assignments.
- On your digital bookshelf, click on the title to reveal the code.
- Once revealed, copy the code. You only need to reveal the code once.
- Courseware codes will be used within your course. Go back to your course for instructions on where to paste the code.

eBooks

- The digital bookshelf will link eBooks to the VitalSource platform.
- First time VitalSource users will create an account.
- For your convenience, you may access your eBooks on the VitalSource app.

Access code tips

- It can take up to 48 hours after you purchase a code for it to appear on your digital bookshelf.
- Write down your code in case there is an issue.
- Courseware is not accessible until the course starts.
